

# HURRICANE PREPAREDNESS TIPS

Discuss with your household what to do in an emergency

Prepare your emergency kit or backpack

Locate the emergency shelter and evacuation route closest to your home

Charge phones and backup batteries and disconnect electronic devices

Protect the windows of your home with plywood

Check on your neighbors and those who may need additional help

Organize volunteer-led neighborhood cleanup activities

Pay attention to official weather bulletins and emergency alerts

Anticipate shelter and food needs for pets and livestock

Take measures to prevent the spread of COVID-19  
livestock

**ARE YOU PREPARED?**
