

**TERMS OF REFERENCE  
INDIVIDUAL CONSULTANT  
CONSULTANT- SOCIAL WORKERS/CASE MANAGEMENT OFFICERS  
GRANGE HILL, WESTMORELAND  
COMM-UNITY RESILIENCE AND TRANSFORMATION (CREATE) PROJECT  
JAMAICA**

**1. BACKGROUND AND JUSTIFICATION:**

The Pan American Development Foundation (PADF) believes in creating a hemisphere of opportunity, for all. We work across Latin America and the Caribbean to make our region stronger, healthier, peaceful, just, inclusive, resilient, and sustainable for current and future generations. For more than 60 years, we have served the most vulnerable communities, investing resources across the hemisphere. We partner with civil society, governments, and the private sector and empower them to achieve good for the region.

PADF has received funding from the Bureau of International Narcotics and Law Enforcement Affairs (INL) to implement the "Comm-Unity Resilience and Transformation" CREATE Project. The project will be implemented in five hotspot communities: Parade Gardens, Kingston, Majesty Gardens, St. Andrew, Gregory Park, St. Catherine, Norwood, St. James, and Grange Hill, Westmoreland. The initiative, grounded in the principles of Crime Prevention Through Environmental Design (CPTED), aims to counter gang recruitment and youth crime and violence using an evidence-based, multidimensional approach and will comprehensively address the complex needs of at-risk youth, equipping them with the skills, resources, and support necessary to reduce their risks and vulnerabilities to criminal activities.

**2. OBJECTIVES:**

PADF is seeking the services of two Consultant Social Workers/Case Management Officers to provide critical support to a minimum of 100 at-risk youth, aged 15-29 years, from Grange Hill, Westmoreland who are beneficiaries of The CREATE Project. Case managers will identify, screen, assess risks, develop case plans for youths, and provide direct one-on-one support to youth and their families. They will also coordinate youth participation in various interventions tailored to individualized treatment plans, aiming to reduce risk factors associated with crime and violence by the end of the intervention period: August 2026. This consultancy directly responds to Activity 2.4 of the project: "Improve coordination of stakeholders within the targeted communities to expand access and referrals to services required by at-risk youth."

**3. RESPONSIBILITIES OF THE CONSULTANT:**

The Social Workers/Case Management Officers will be responsible for the development and implementation of case plans and treatment programs, according to the Project and the needs of each youth. Specific duties will include:

- Coordinate with the project team to identify and shortlist potential youth, through liaisons with youth-serving organizations, stakeholders and community visits.
- Facilitate risk screening, assessment, and intake of new youth.

- Establish an individualized action/case plan for each youth in consultation with the Counselling Psychologist.
- Liaise with and serve as an advocate between partners and stakeholders and youth to ensure optimal coordination in accessing services and in the delivery of interventions (service providers, schools, social workers, employers etc.) as needed.
- Collaborate with other Social Workers/Case Managers to deliver family-based interventions to youth and their families as needed.
- Monitor and support youth participation in advancing through individualized programs, with successful outcomes.
